

EDWARDIAN ENGLAND

THE CHALLENGE

If the ladies at Downton had a slightly less uptight, long lost cousin or something... this would have been her day: most of the pomp, none of the circumstance. The day laden England's legendary greenery, paired with classic romantic details like handwritten love letters, delicate gold jewelry and full skirted gowns.

BRIDE: free-spirited English rose
 VENUE: secret garden
 PARTY: organic + gilded touches
 MUSIC: "Dog Days Are Over"
