## TO THE BIG FAKE WEDDING

---

Our goals at this event are to promote local businesses, inspire brides and grooms, and to encourage solid and committed marriages. The couple who is about to tie the knot is actually already married, and they are using this evening as a chance to renew their vows. As you enjoy the ceremony, we hope that you'll be encouraged and excited to plan for your marriage as well as your wedding.

This vendor guide will be a great resource in showing you who-did-what, and all the information will also be posted on our website, [TheBigFakeWedding.com](http://TheBigFakeWedding.com). We encourage you to take notes on your favorites! After the ceremony, we'll enjoy light bites, drinks and dessert, along with dancing and The Tunnel of Love, which is an opportunity for you to meet the vendors who have made this evening possible.

## Meet our Couple

### CALLIE + MADISON

---

Callie and Madison began dating early in high school, and it was one of those instant love kind of things where they were swapping “I love you’s” only one month into it. They dated for nine years before they got married in the church that they met and grew up in. After three years of marriage, we’re looking forward to celebrating Callie and Madison at The Big Fake Wedding New Orleans!
